Meet Anita Pope

Meet Jazz 93.5's Volunteer of the Month, Anita Pope! Anita has been a long-time friend and supporter of Jazz 93.5 and we are delighted to feature her in this month's newsletter. Check out what she has to say about Jazz 93.5!

When did you first start listening to Jazz 93.5?

I started listening to Jazz 93.5 as soon as it went on air. I was so excited to have a jazz station in town!

What do you love about Jazz 93.5?

I listen to Jazz 93.5 not only for the love of jazz, but because the station provides so many educational opportunities and such a diverse playlist that spans all the different types of jazz.

What is one of your favorite Jazz 93.5 memories?

One of my favorite memories is playing online trivia with Jazz 93.5 staff and other listeners during COVID lockdown. I brought a friend (virtually) and we had a glass of wine and played trivia, it was such a blast!

Why do you choose to volunteer with Jazz 93.5?

Volunteering for Jazz 93.5 is my way of supporting the station and the jazz community in a very tangible way. I am able to interact with station staff and other fans of jazz in our community. I'm happy to help in any way I can.
